THE ALMOST MIRACULOUS CURES made by Hamp ton's Vegetable Tincture on our most respectable citiens—men well known and tried—we challenge the world o show anything on record in medicine to equal it. Many to show anything on record in medicine to equal it. Many hundreds who have felt its healing powers bear the same testi-

arising from IMPURE BLOOD.

Messes. Mortimer & Mowbray: Gents: Last September I was attacked with crysipelas, from which a dreadful ulcer formed on my right leg. Getting better of this, last November I took a deep cold, which led to what my physician told me was billious pleuries, which left me with a constant, deeply-seated, and painful cough, having no rest day or night, and constantly throwing up from my lungs a thick matter. I became much emaciated, growing weaker every day, and keeping my bed the greater part of the time. My friends thought I had the consumption, and at times I was also of the same opinion. At this stage of my disease, after having tried many and various remedies, without success, a friend advised me to try DR HAMPTON'S VEGETABLE TINC-TURE, and procured me a bottle, which I now pronounce the greatest medicine I ever took. Before I had taken half the contents of one bottle I felt much improved; and now, having taken but two bottes, my cough and pains have entirely left me, and I am enabled to attend to business. I can truly say that, with the blessing of God, I have been restored to the health I now enjoy by the use of this most invaluable medicine.

Were there not real virtue in this wonderful medicine, could it perform the astonishing cures made by it?

NORTHAMPTON CO., April 13, 1852.

Messrs. Tyler & Adair: I have been afflicted with Rheumatism, at times, from my twelfth year: I will be fifty years of age the 18th of this month; the attacks were at times so severe as to render me helpless; I have tried various remedies to very little effect. Last October I was attacked in my shoulders, sides, back, and hips; I could not reat, day or night; I could not move any part of my body sithout crying with pain; at this time I also tried many remedies, internal and external, without receiving any relief; I was at last advised to try HAMPTON'S VEGETABLE TINCTURE; before I had taken one bottle of which I felt much better, and as I continued taking it I felt strength coming into my back and limbs, and my stomach strengthened and revived every way; I have taken five bottles, and am much better than I ever expected to be. I intend to use it whenever I need it, and would recommend it to the afflicted, believing it unequalled. Yours, ELIZABETH BAGWELL.

REV. VERNON ESKRIDGE, U. S. N. PORTMOUTH, (Va.,) Aug. 18, 1851.

Mr. J. E. Boush—Dear Sir: Whi e I am in general opposed to Patent Medicines, candor compols me to state that have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in Dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my exportence extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient renedy.

I am, respectfully, yours, VERNON ESKRIDGE.

HAMPTON'S Vegetable Tincture always WILLIAM T. EVANS. KRAUSER'S PATENT CLOVER-SEED HAR-

KRAUSER'S PATENT CLOVER-SEED HARVESTER

IS BEFORE THE PUBLIC FOR THE FIRST TIME!

Its utility is beyond comparison with any other farming implement now in use. It takes the seed from the field, leaving the straw or grass all standing. It weighs two hundred and fifty pounds, is drawn by one horse, and gathers from ten to twelve acres per day. The fingers, or teeth, catch all the heads, the revolving knives cut them off and throw them back into the box, which will cross a twenty-acre field without emptying. The heads are then loaded into a wagon and taken directly to the mill for cleaning, thus diminishing the labor three-fourths, and saving all the seed. This machine comes so low that every furner will have it, and pays the manufacturer 300 per cent.

E. WHEELER, Agent for Washington.

We, the undersigned, do certify that we have seen Mr. Krauser's Patent Clover Harvester in operation, and it has given perfect satisfaction. It has gathered many of the farmers' clover in this neighborhood—it is all that Mr. Krauser and his bills represent it to be. The farmers have given one-half for gathering and threshing.

PETER H. JONES. CROSS KEYS, WASHINGTON TOWNSHIP, CAMDEN Co., N. J.,)

Long-a-Coming, October 7, 1851.

This is to certify that Mr. G. J. Naylor has gathered clover off of a sixteen-acre field of mine, which has been pastured two months with ten head of cattle, and it produced six bushels and a half and one peck of seed. I gave him two-thirds for gathering and cleaning. I think his machine is first-rate, and answers all the purpose that is intended.

NEHEMIAH NICHOLSON.

The following points out the profitable nature of the Harvester:

KRAUSER'S PATENT CLOVER-SEED HARVESTER-KRAUSER'S PATENT CLOVERSEED HARVESTER.— We have conversed with a number of Farmera, and they are of opinion that there are at least 3,000 acres in each town-ship in Camdon or Gloucester county, New Jersey. Admit-ting there are but 1,000, it is said that each acre will yield from 1½ to 3 bushels. Reducing it to a certainty of yielding but 1 bushel per acre, what will it cost to gather and thresh 1,000 acres?

This Harvester will gather 12 acres per day. At 8 acres per day, it will take 5 harvesters 25 days, at a cost of......

Cost of harvesting, &c., 1,000 acres.... ..\$500

Perhaps no invention offers greater inducements for a profitable investment than the Harvester. For an enter-prising young man, of good business habits, a large sum of money could without doubt be realized from the sale of money could without doubt be realized from the sale of rights in the different States of the Union not yet disposed of. By calling at this office, it can be demonstrated satisfactorily that men of moderate capital could not choose a better or more money-paying business.

Those who wish to see a model of this celebrated farming implement, and the satisfactory manner in which it operates, can do so by calling at

Mexican Mustang Liniment!

THE EVIDENCES ACCUMULATE! READ the following proof of what we have long a sascrted, viz: that the Mustang Liniment is the quantum of all external remedies ever before offered to

afflicted:

"Wm. M. Johnston, No. 112 Second street, Pittsburg, says that he had a severe attack of Rheumatism in his right hip; after suffering some ten days, the left hip also became af fected, and he was obliged to 'lay up.' The pain was constant and excrueiating. He had heard of the wonderful effects of the Mustang Liniment in Rheumatism, and determined to try it. One small bottle, thoroughly applied, performed a perfect cure! B. H. Meakings, 189 Walnut street. Cincinnait, was confined to his bed and under treatment of a physician some six weeks with Neuralgia of the whole of his right side, leg, arm, and face. His sufferings were indescribable, and theonly cessation from the most agonizing pain was while under the influence of opium or morphine. His doctor finally advised him to try the Mustang Liniment; he did so, and in two days was able to go about his business, perfectly cured."

did so, and in two days was able to go about his business, perfectly cured."

"THE LAME MADE TO WALK.—About the first of April I cut and laid open the fore finger of my left hand, through the bone and across the second joint, nearly discovering it from the hand, being about two-thirds off. I was fear hil that I should lose the use of my finger forever; but I bound it up with the Mexican Mustang Liniment, and it soon healed up, and is now perfectly well, though somewhat scarrified. I used nothing but the Mustang Liniment.

"About one week ago I had the misfortune to cut the cap of my left knee in two with the sharp corner of an axe. The cap was split asunder, and for a day or two I could not use my leg at all, and I was afraid that I would lose its use forever. The cap was cut and cleft to the joint with a deep and alseming gash, and it gave me great pain and uneasiness, lest I should be entirely deprived of the use of my leg I applied the Mexican Mustang Liniment, and that alone, in both of the above cases, and I am now quite well, except he cap of my knee is a little swollen, and is tender about the cut, which is healed up and shows a fresh red appearance of about one inch and a half in length and a quarter of an inch in width, but gives me no inconvenience whatever.

"I walked fifteen miles yesterday out of the thirty miles from the place where I live near the Sulphur Springs, in Jefferson county, and feel able to walk as many more today. My recovery has been as conderful that I feel it my duty to make it public, that the world may know the value of the Mexican Mustang Liniment.

Our Military System.

DR. ROSE'S NERVOUS CORDIAL:

The autonishing happy effect of Dr. ROSE'S NERVOUS CORDIAL, for Diseases of the Heart, Palpitation, Numbness, Neuralgia, Nervous Tremor of the Muscles, Heartburn, Flatulence, Paln in the Face, Wakefulness, Restlessness, or for the Mind or Body worn down by care, labor, or study, has induced many physicians to use it in their practice. For a weak constitution, it is a grand restorer; it completely removes from the system all nervous irritations, and is almost miraculous in its rapid and happy effect. The weak and the nervous are frequently restored to perfect health before using one bottle. Price 50 conts. We owe to General Scott, in a great degree, our existing military system. It was first introduced by him, in preparing our army at Buffalo for the heroic deeds soon after achieved at Chippewa and Lundy's Lane. Subsequently was introduced into the whole service. In 1821 he published a work embodying his system and Liver Diseases, Dyspepsia, and Bilious Habits! If your Liver is deranged, your skin will be yellow; Dyspepsia and Billious condition of the system will follow; you will be troubled with cold feet, variable appetite, and depressed spirits. By taking Dr. Rose's celebrated Railroad or Antl-Billious Pills, you will soon find all the above bad symptoms disappear. They give strength and richness to the blood. Boxes 12½ and 25 cents.

These Pills are called RAILROAD PILLS, because they go ahead of all other Pills in their good effects. plans of discipline and instruction, under the title of "General Regulations for the Army." In 1825, following up his design of still further improvements, he published his "Infantry Tac-tics." And again, in 1826, he drew up for the War Department "A Plan for the Oganization and Instruction of the whole body of the Militia of the Union;" and also "A System of Infantry and Rifle Tactics." In 1835, he published, by Do You Suffer with any Pain?

If you do, you will find immediate relief by using Dr. ROSE'S PAIN-CURER. It is the only preparation which cures, almost instantly, Sore Throat, Rheumatism, from Colds, Pains in the Side, Back, or Limbs; Face, Ear, or Tooth Ache; Stomech or Bowels, Side or Back; Stiff Neck. Brui-es, Corns, and Chilbiains. Wherever you have pain use the Pain-Curer. Safe to all ages, and the price being low, the poor, as well the rich, can obtain it in 12½, 25, and 50 cent bottles. and Rifle Tactics." In 1839, he published, by order of Congress, a new edition of the latter. How well the military system introduced by Scott serves the purposes for which it was designed, is shown by the general character of the service, and especially by the triumphant success of our arms in Mayico. We owe much to cess of our arms in Mexico. We owe much to West Point, but West Point owes more to Scott. The above preparations can be found, with circulars It is he, in reality, who has given the army its leading characteristics of high spirit, lofty tone, gentlemanly bearing, extreme efficiency, and love of duty. Western Pennsylvania. [Correspondence of the New York Tribune.]

His illustrious character and heroic services have taken hold on the popular heart; and I only express the conviction of every intelligent man in NOTICE TO TAX-PAYERS.—DEDUCTION FOR PROMPT PAYMENT. this section of the State, when I assure you that Pennsylvania will cast her electoral vote for the hero of Lundy's Lane by more than ten thousand majority. The evidences of it are apparent to those who live here, and many of our opponents admit it. But they will make a desperate gle to retain their failing supremacy, and we will have a warm and animated contest. But the name of Winfield Scott is to the Whigs of Pennsylvania like a flaming cross in the heavens, and n that sign we shall conquer. Mark the prediction. Yours, truly,
